Certified Internal Auditor

PwC`s Academy

The Certified Internal Auditor (CIA)

What is CIA?

The Certified Internal Auditor (CIA) is the only globally accepted certification for internal auditors and remains the standard by which individuals demonstrate their competency and professionalism in the internal auditing field. Candidates leave the program enriched with educational experience, information, and business tools that can be applied immediately in any organization or business environment.

Who should study CIA?

Are you a long-term internal auditor, or a future manager gaining exposure and expertise in organizational risk management? CIA is the best choice and will serve you well your entire career.

CIA is for those internal auditors who want to accelerate their career as well as to raise their professionalism to a higher level. It is a proven path to business success within the internal audit field.

Programme structure

- Part I: The Internal Audit Activity`s role in governance, risk and control
- Part II: Conducting the Internal Audit engagement
- Part III: Business Analysis and Information Technology
- Part IV: Business Management skills

We provide 2- or 3-day courses leading to each CIA exam.

In the year 2011 we will take students through all four levels of the CIA qualification.

Why study CIA with PwC`s Academy?
